## **Losehill Hall Youth Hostel, Castleton**

Our venue is a refurbished Victorian Gothic Mansion and Cobbled Mews set in formal gardens and 27 acres of parkland in the heart of the Peak District. Entrance is on the A625 from Sheffield / Hathersage and is at the east end of Castleton village, Post Code S33 8WB.

### **Registration and parking**

The Youth Hostel will be open for registration from 2.00pm on 24<sup>th</sup> December. There is adequate parking in the grounds of the Hostel.

### **Notes about the Hostel – PLEASE READ**

1. All bedding is provided. You will need to bring your own **towels, soap and an extra pillow** if you need it. Most rooms are en suite or have an adjoining bathroom. Bedrooms will be allocated on arrival.
2. Fire regulations are posted in each room. Please read on arrival and ensure your family is familiar with the procedure.
3. Keycards will be provided for the rooms and these are to be returned at the end of the Study. Non-returned or damaged keys will be charged for by the Hostel at the rate of £5 each.
4. All indoor activities will take place at the Hostel and all main studies will be held in the Morton room.
5. The Hostel is locked each evening at 11.00 pm. All are requested to be in their own rooms and quiet between 11.00 pm and 7.00am.

### **Notes about the Northern Winter Study – PLEASE READ**

1. Sisters are asked to wear head coverings at all main meetings.
2. Please do not bring anything that is likely to be annoying to anyone else or disruptive to the smooth running of the event.

3. The Committee has decided that no books or CDs etc. are to be sold at Northern Winter Study.
4. Parents are asked to make sure they know the whereabouts of their children at all times.
5. Please remember to always wear your badge. We soon get to know each other, but the Warden needs to be able to identify who belongs to our group.
6. A collection will be taken at the Breaking of Bread for those who are able to make a contribution to assist in keeping NWS costs as low as possible.
7. It is intended that all talks will be uploaded to a Christadelphian website but for those who have missed any studies, audio CDs can be made available, if preferred, on request.
8. There will be two optional Knit and Natter sessions – those interested please bring 4mm / size 8 needles to knit blanket squares for Jewish Relief. All wool will be provided.
9. Sorry, no pets are allowed on site.
10. Some bedrooms are located in the Mews building, which is separate from the main hostel. In earlier years the lighting to and from the Mews was inadequate and therefore you may want to bring a torch should your allocated bedroom be in this area.

## Catering and Dining Room Arrangements

There are two dining areas:

The **Burbage Dining Room** is located to the right of Reception and is the larger of the two rooms. There is seating for over 80 and all are welcome to use this room but priority must be given to families with children. This room will also be used for lessons and consequently it is important that the room is left uncluttered.

The **Ashton Dining Room** is located to the left of Reception and has seating for 40 adults. This room will also be used for lessons.

Facilities for making hot drinks will be available at all times in the Burbage Dining Room. Please keep this area clean and tidy. **Only disposable cups with lids** may be taken to your rooms.

We will be organised into working groups for the preparation of meals and cleaning up. Those involved in meal preparation need to report to Sister Katie Mullen in the kitchen at the end of the previous meal. (E.g. those involved in lunch preparation will need to report immediately after breakfast has been cleared). Servers for meals will need to meet Sister Lisa McCorrie in the Burbage Dining Room at the beginning of the Readings Session or at least 10 minutes before meal times.
